Item 1.01. Entry into a Material Definitive Agreement.

On October 27, 2017, BioRestorative Therapies, Inc. (the "Company") issued a promissory note to Tangiers Global, LLC ("Tangiers") in the principal amount of \$675,000 (the "Tangiers Note") pursuant to a debt financing in which Tangiers funded the sum of \$621,000, and \$54,000 was retained in an original issue discount for due diligence and legal expenses. The Tangiers Note provides for the payment of the principal amount, together with guaranteed interest equal to 6% of the principal amount of the Tangiers Note, on May 27, 2018. The Tangiers Note is convertible, at the option of Tangiers, into shares of common stock of the Company at a conversion price of \$2.75 per share, subject to adjustment. In consideration of the loan, the Company issued to Tangiers a five-year warrant for the purchase of 40,663 shares of common stock of the Company at an exercise price of \$4.15 per share (the "Tangiers Warrant").

The foregoing descriptions of the Tangiers Note and the Tangiers Warrant do not purport to be complete and are qualified in their entirety by reference to the full text of the Tangiers Note and the Tangiers Warrant in the forms filed as Exhibits 10.1 and 10.2 to this Current Report, which are incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

See Item 1.01 above.

Item 3.02. Unregistered Sales of Equity Securities.

See Item 1.01 above.

On August 18, 2017, the Company issued 10,000 shares of common stock of the Company at a purchase price of \$3.00 per share. In consideration of the share purchase, the Company issued to the subscriber a five-year warrant for the purchase of an aggregate of 10,000 shares of common stock of the Company at an exercise price of \$4.00 per share.

Between September 27, 2017 and October 26, 2017, the Company issued an aggregate of 25,168 shares of common stock in exchange for outstanding indebtedness in the aggregate amount of \$56,219, inclusive of accrued and unpaid interest.

Between August 23, 2017 and October 11, 2017, in consideration of loans to the Company in the aggregate amount of \$535,000, the Company issued to certain of the lenders an aggregate of 7,500 shares of the Company's common stock and a five-year warrant for the purchase of 15,000 shares of the common stock of the Company at an exercise price of \$4.00 per share. The shares of common stock and warrant were valued at \$8,600 and \$24,150, respectively. In connection with \$275,000 of such aggregate loan amount, the Company issued convertible notes in the aggregate principal amount of \$299,000. Such notes are convertible into shares of the Company's common stock at the election of the lenders at a conversion price equal to 65% of the fair market value of the Company's stock; however, generally the conversion price shall not be less than a price of \$1.00 per share.

Between October 1, 2017 and October 16, 2017, in consideration of the extension of the maturity dates for the repayment of certain loans, the Company issued to a certain lender 4,300 shares of the Company's common stock and to another lender a five-year warrant for the purchase of 38,118 shares of the Company's common stock at an exercise price of \$4.00 per share. The shares of common stock and warrant were valued at \$8,600 and \$61,370, respectively.

On September 13, 2017, the Company issued 10,000 shares of common stock of the Company in consideration of services rendered. The shares were valued at \$20,000.

For each of the securities issuances, the Company relied upon Section 4(a)(2) of the Securities Act of 1933, as amended (the "Act"), as transactions by an issuer not involving any public offering or Section 3(a)(9) of the Act as a security exchanged by an issuer with its existing security holders exclusively where no commission or other remuneration is paid or given directly or indirectly for soliciting such exchange. For each such transaction, the Company did not use general solicitation or advertising to market the securities, the securities were offered to a limited number of persons, the investors had access to information regarding the Company (including information contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2016, Quarterly Reports on Form 10-Q for the periods ended March 31, 2017 and June 30, 2017, Current Reports on Form 8-K filed with the Securities and Exchange Commission and press releases made by the Company), and management of the Company was available to answer questions from prospective investors. The Company reasonably believes that each of the investors is an accredited investor.

6% FIXED CONVERTIBLE PROMISSORY NOTE

OF

BIORESTORATIVE THERAPIES, INC.

Issuance Date: October 25, 2017

Total Face Value of Note: \$675,000

THIS NOTE is a duly authorized Fixed Convertible Promissory Note of BioRestorative Therapies, Inc. a corporation duly organized and existing under the laws of the State of Delaware (the "**Company**"), designated as the Company's 6% Fixed Convertible Promissory Note due May 27, 2018 ("**Maturity Date**") in the principal amount of \$675,000 (the "**Note**").

FOR VALUE RECEIVED, the Company hereby promises to pay to the order of **Tangiers Global, LLC**, a Wyoming limited liability company, or its registered assigns or successors-in-interest (the "**Holder**") the Principal Sum of \$675,000 (the "**Principal Sum**") and to pay "guaranteed" interest on the principal balance hereof at an amount equivalent to 6% of the Principal Sum, to the extent such Principal Sum and "guaranteed" interest and any other interest, fees, liquidated damages and/or items due to Holder herein have not been repaid or converted into the Company's Common Stock (the "**Common Stock**"), in accordance with the terms hereof. The sum of \$621,000 shall be remitted and delivered to the Company, and \$54,000 shall be retained by the Holder through an original issue discount (the "**OID**") for due diligence and legal bills related to this transaction. The OID is set at 8%. The Company covenants that, within three months of the Effective Date of the Note, it shall utilize approximately \$621,000 of the proceeds in the manner set forth on Schedule 1, attached hereto (the "**Use of Proceeds**"), and,

upon the written request of the Holder, shall promptly provide evidence thereof to Holder, in sufficient detail as reasonably requested by Holder.

In addition to the “guaranteed” interest referenced above, and in the Event of Default pursuant to Section 2.00(a), additional interest will accrue from the date of the Event of Default at the rate equal to the lower of 16% per annum or the highest rate permitted by law (the “**Default Rate**”).

This Note will become effective only upon the execution by both parties, including the execution of Exhibits B, C, D and E and the Irrevocable Transfer Agent Instructions (the “**Date of Execution**”) and delivery of the initial payment of consideration by the Holder (the “**Effective Date**”).

As an investment incentive, the Company will issue to the Holder 40,663 5-year cashless warrants, exercisable at a price of \$4.15 per share.

This Note may be prepaid by the Company, in whole or in part, according to the following schedule:

| Days Since Effective Date | Prepayment Amount |
|---------------------------|--------------------------|
| 0-90 | 115% of Principal Amount |
| 91-180 | 125% of Principal Amount |

After 180 days from the Effective Date, this Note may not be prepaid without written consent from Holder, which consent may be withheld, delayed or denied in Holder’s sole and absolute discretion. Whenever any amount expressed to be due by the terms of this Note is due on any day which is not a Business Day (as defined below), the same shall instead be due on the next succeeding day which is a Business Day. If the Note is in default, per Section 2.00(a) below, the Company may not prepay the Note without written consent of the Holder.

For purposes hereof the following terms shall have the meanings ascribed to them below:

“**Business Day**” shall mean any day other than a Saturday, Sunday or a day on which commercial banks in the City of New York are authorized or required by law or executive order to remain closed.

“**Conversion Price**” shall be equal to \$2.75.

“**Principal Amount**” shall refer to the sum of (i) the original principal amount of this Note (including the original issue discount, prorated if the Note has not been funded in full), (ii) all guaranteed and other accrued but unpaid interest hereunder, (iii) any fees due hereunder, (iv) liquidated damages, and (v) any default payments owing under the Note, in each case to the extent payable pursuant to this Note and added to the Principal Amount.

“**Principal Market**” shall refer to the primary exchange on which the Company’s common stock is traded or quoted.

“Trading Day” shall mean a day on which there is trading or quoting for any security on the Principal Market.

“Underlying Shares” means the shares of common stock into which the Note is convertible (including interest, fees, liquidated damages and/or principal payments in common stock as set forth herein) in accordance with the terms hereof.

The following terms and conditions shall apply to this Note:

Section 1.00 Conversion.

(a) **Conversion Right.** Subject to the terms hereof and restrictions and limitations contained herein, the Holder shall have the right, at the Holder's sole option, at any time and from time to time to convert in whole or in part the outstanding and unpaid Principal Amount under this Note into shares of Common Stock at the Conversion Price, but not to exceed the Restricted Ownership Percentage, as defined in Section 1.00(f). The date of any conversion notice (***“Conversion Notice”***) hereunder shall be referred to herein as the ***“Conversion Date”***. The Conversion Price shall be equitably adjusted in the event of a forward split, stock dividend, reverse split, recombination, or the like.

(b) **Stock Certificates or DWAC.** The Company will deliver to the Holder, or Holder's authorized designee, no later than 3 Trading Days after the Conversion Date, a certificate or certificates (which certificate(s) shall be free of restrictive legends and trading restrictions if the shares of Common Stock underlying the portion of the Note being converted are eligible under a resale exemption pursuant to Rule 144(b)(1)(ii) and Rule 144(d)(1)(ii) of the Securities Act of 1933, as amended) representing the number of shares of Common Stock being acquired upon the conversion of this Note. In lieu of delivering physical certificates representing the shares of Common Stock issuable upon conversion of this Note, provided the Company's transfer agent is participating in Depository Trust Company's (***“DTC”***) Fast Automated Securities Transfer (***“FAST”***) program, the Company shall instead use commercially reasonable efforts to cause its transfer agent to electronically transmit such shares issuable upon conversion to the Holder (or its designee), by crediting the account of the Holder's (or such designee's) broker with DTC through its Deposits and Withdrawal at Custodian (***“DWAC”***) program (provided that the same time periods and requirements for a resale exemption as provided for above for stock certificates shall apply).

(c) **Charges and Expenses.** Issuance of Common Stock to Holder, or any of its assignees, upon the conversion of this Note shall be made without charge to the Holder for any issuance fee, transfer tax, legal opinion and related charges, postage/ mailing charge or any other expense with respect to the issuance of such Common Stock. Company shall pay all Transfer Agent fees incurred from the issuance of the Common Stock to Holder, as well as any and all other fees and charges required by the Transfer Agent as a condition to effectuate such issuance. Any such fees or charges, as noted in this Section that are paid by the Holder (whether from the Company's delays, outright refusal to pay, or otherwise), will be automatically added to the Principal Sum of the Note and tacked back to the Effective Date for purposes of Rule 144.

(d) **Delivery Timeline.** If the Company fails to deliver to the Holder such certificate or certificates (or shares through the DWAC program) pursuant to this Section (free of any restrictions on transfer or legends, if eligible) prior to 4 Trading Days after the Conversion

Date, the Company shall pay to the Holder as liquidated damages an amount equal to \$250 per day, until such certificate or certificates are delivered. The Company acknowledges that it would be extremely difficult or impracticable to determine the Holder's actual damages and costs resulting from a failure to deliver the Common Stock and the inclusion herein of any such additional amounts are the agreed upon liquidated damages representing a reasonable estimate of those damages and costs. Such liquidated damages will be automatically added to the Principal Sum of the Note and tack back to the Effective Date for purposes of Rule 144.

(e) Reservation of Underlying Securities. The Company covenants that it will at all times reserve and keep available for Holder, out of its authorized and unissued Common Stock solely for the purpose of issuance upon conversion of this Note, free from preemptive rights or any other actual contingent purchase rights of persons other than the Holder, **three times** the number of shares of Common Stock as shall be issuable (taking into account the adjustments under this Section 1.00, but without regard to any ownership limitations contained herein) upon the conversion of this Note (consisting of the Principal Amount), subject to the formula in Section 2.00(c) below, to Common Stock (the "**Required Reserve**"). The Company covenants that all shares of Common Stock that shall be issuable will, upon issue, be duly authorized, validly issued, fully-paid, non-assessable and freely-tradable (if eligible). If the amount of shares on reserve in Holder's name at the Company's transfer agent for this Note shall drop below the Required Reserve, the Company will, within 3 Trading Days of written notification from Holder, instruct the transfer agent to increase the number of shares so that the Required Reserve is met. In the event that the Company does not instruct the transfer agent to increase the number of shares so that the Required Reserve is met, the Holder will be allowed, if applicable, to provide this instruction as per the terms of the Irrevocable Transfer Agent Instructions attached to this Note. The Company agrees that the maintenance of the Required Reserve is a material term of this Note and any breach of this Section 1.00(e) will result in a default of the Note.

(f) Conversion Limitation. The Holder will not submit a conversion to the Company that would result in the Holder beneficially owning more than 9.99% of the then total outstanding shares of the Company ("**Restricted Ownership Percentage**").

(g) Conversion Delays. If the Company fails to deliver shares in accordance with the timeframe stated in Section 1.00(b), the Holder, at any time prior to receiving all of those shares, may rescind any portion, in whole or in part, of that particular conversion attributable to the shares not received. The rescinded conversion amount will be returned to the Principal Sum with the rescinded conversion shares, if issued, returned to the Company, under the expectation that any returned conversion amounts will tack back to the Effective Date.

(h) Shorting and Hedging. Holder may not engage in any "shorting" or "hedging" transaction(s) in the Common Stock of the Company prior to any conversion.

(i) Conversion Right Unconditional. If the Holder shall provide a Conversion Notice as provided herein, the Company's obligations to deliver Common Stock shall be absolute and unconditional, irrespective of any claim of setoff, counterclaim, recoupment, or alleged breach by the Holder of any obligation to the Company.

Section 2.00 Defaults and Remedies.

(a) **Events of Default.** An “Event of Default” is: (i) a default in payment of any amount due hereunder which default continues for more than 5 Trading Days after the receipt by the Company of written notice of default from the Holder; (ii) a default in the timely issuance of underlying shares upon and in accordance with terms of Section 1.00, which default continues for 3 Trading Days after the Company has failed to issue shares or deliver stock certificates within the 4th Trading Day following the Conversion Date; (iii) if the Company does not file a Current Report on Form 8-K in accordance with the provisions and the deadlines referenced Section 4.00(h); (iv) failure by the Company for 5 days after notice has been received by the Company to comply with any material provision of this Note; (v) failure of the Company to remain compliant with DTC, thus incurring a “chilled” status with DTC; (vi) if the Company is subject to any Bankruptcy Event; (vii) any failure of the Company to satisfy its “filing” obligations under Securities Exchange Act of 1934, as amended (the “1934 Act”), and the rules and guidelines issued by OTC Markets News Service, OTCMarkets.com and their affiliates, subject to Rule 12b-25 thereof; (viii) failure of the Company to remain in good standing under the laws of its state of domicile; (ix) any failure of the Company to provide the Holder with information related to its corporate structure including, but not limited to, the number of authorized and outstanding shares and public float, within 3 Trading Days of request by Holder; (x) failure by the Company to maintain the Required Reserve in accordance with the terms of Section 1.00(e); (xi) failure of Company’s Common Stock to maintain a closing bid price in its Principal Market for more than 5 consecutive Trading Days; (xii) any delisting from a Principal Market for any reason; (xiii) failure by Company to pay any of its Transfer Agent fees such that the Transfer Agent refuses to provide transfer agent services, including, but not limited to, the issuance of shares to Holder, to the Company or maintain a Transfer Agent of record, which failure remains uncured; (xiv) failure by Company to notify Holder of a change in Transfer Agent within 24 hours of such change; (xv) any trading suspension imposed by the United States Securities and Exchange Commission (the “SEC”) under Sections 12(j) or 12(k) of the 1934 Act; (xvi) failure by the Company to meet all requirements necessary to satisfy the availability of Rule 144 to the Holder or its assigns, including but not limited to the timely fulfillment of its filing requirements as a fully-reporting issuer registered with the SEC, requirements for XBRL filings, and requirements for disclosure of financial statements on its website; or (xvii) failure of the Company to abide by the Use of Proceeds in any material respect or failure of the Company to inform the Holder of a material change in the Use of Proceeds;

(b) **Remedies.** If an Event of Default occurs, the outstanding Principal Amount of this Note owing in respect thereof through the date of acceleration, shall become, at the Holder's election, immediately due and payable in cash at the “**Mandatory Default Amount**”. The Mandatory Default Amount means 20% of the outstanding Principal Amount of this Note will be automatically added to the Principal Sum of the Note and tack back to the Effective Date for purposes of Rule 144. Commencing 5 days after the occurrence of any Event of Default that results in the eventual acceleration of this Note, this Note shall accrue additional interest, in addition to the Note’s “guaranteed” interest, at a rate equal to the lesser of 16% per annum or the maximum rate permitted under applicable law. In connection with such acceleration described herein, the Holder need not provide, and the Issuer hereby waives, any presentment, demand, protest or other notice of any kind, and the Holder may immediately and following the expiration of any grace period enforce any and all of its rights and remedies hereunder and all other remedies available to it under applicable law. Such acceleration may be rescinded and annulled by the Holder at any time prior to payment hereunder and the Holder

shall have all rights as a holder of the note until such time, if any, as the Holder receives full payment pursuant to this Section 2.00(b). No such rescission or annulment shall affect any subsequent event of default or impair any right consequent thereon. Nothing herein shall limit the Holder's right to pursue any other remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Issuer's failure to timely deliver certificates representing shares of Common Stock upon conversion of the Note as required pursuant to the terms hereof.

(c) **Conversion Right.** At any time and from time to time after a default occurs solely due to the fact the Note is not retired on or before the Maturity Date ("**Maturity Default**"), subject to the terms hereof and restrictions and limitations contained herein, the Holder shall have the right, at the Holder's sole option, to convert in whole or in part the outstanding and unpaid Principal Amount under this Note into shares of Common Stock at the Maturity Default Conversion Price. The "**Maturity Default Conversion Price**" shall be equal to the lower of: (a) the Conversion Price or (b) 65% of the average of the two lowest closing prices of the Company's common stock during the 15 consecutive Trading Days prior to the date on which Holder elects to convert all or part of the Note. For the purpose of calculating the Maturity Default Conversion Price only, any time after 4:00 pm Eastern Time (the closing time of the Principal Market) shall be considered to be the beginning of the next Business Day. If the Company is placed on "chilled" status with the DTC, the discount shall be increased by 10%, *i.e.*, from 35% to 45%, until such chill is remedied. If the Company is not DWAC eligible through their Transfer Agent and DTC's FAST system, the discount will be increased by 10%, *i.e.*, from 35% to 45%. In the case of both, the discount shall be a cumulative increase of 15%, *i.e.*, from 35% to 50%.

(i) **Maturity Default Conversion Price Floor.** The Maturity Default Conversion Price shall have a floor price of \$1.00 per share, subject to adjustment for the events provided for in Section 1.00(a) (the "**Floor Price**"). In the event the Maturity Default Conversion Price is below the Floor Price for 20 consecutive Trading Days following the Conversion Notice, the Company shall have the ability to repay the Note in cash within 20 Trading Days following the end of the aforementioned 20 consecutive Trading Day period or the Holder will have the ability to convert the Note at any future date at the Maturity Default Conversion Price, without regard to the Floor Price.

Section 3.00 Representations and Warranties of Holder.

Holder hereby represents and warrants to the Company that:

(a) Holder is an "accredited investor," as such term is defined in Regulation D of the Securities Act of 1933, as amended (the "**1933 Act**") and will acquire this Note and the Underlying Shares (collectively, the "**Securities**") for its own account and not with a view to a sale or distribution thereof as that term is used in Section 2(a)(11) of the 1933 Act, in a manner which would require registration under the 1933 Act or any state securities laws. Holder can bear the economic risk of the Securities, has knowledge and experience in financial business matters and is capable of bearing and managing the risk of investment in the Securities. Holder has not been offered the Securities by any form of general solicitation or advertising, including, but not limited to, advertisements, articles, notices or other communications published in any newspaper, magazine, or other similar media or television or radio broadcast or any seminar or meeting where, to Holders' knowledge, those individuals that have attended have been invited by any such or similar means of general solicitation or advertising. Holder has had an opportunity to ask questions of and receive satisfactory answers from the Company, or any person or persons acting on behalf of the Company, concerning the terms and conditions of the Securities and the Company, and all such questions have been answered to the full satisfaction of Holder. The Company has not supplied Holder any information regarding the Securities or an investment in the Securities other than as contained in this Agreement, and Holder is relying on its own investigation and evaluation of the Company and the Securities and not on any other information.

(b) The Holder is a limited liability company duly organized, validly existing and in good standing under the laws of the state of its incorporation and has all requisite corporate power and authority to carry on its business as now conducted. The Holder is duly qualified to transact business and is in good standing in each jurisdiction in which the failure to so qualify would have a material adverse effect on its business or properties.

(c) All limited liability company action has been taken on the part of the Holder, its officers, directors, managers and members necessary for the authorization, execution and delivery of this Note. The Holder has taken all limited liability company action required to make all of the obligations of the Holder reflected in the provisions of this Note, valid and enforceable obligations.

(d) Each certificate or instrument representing Securities will be endorsed with the following legend (or a substantially similar legend), unless or until registered under the 1933 Act or exempt from registration:

THE SECURITIES EVIDENCED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AND MAY NOT BE SOLD, TRANSFERRED, ASSIGNED OR HYPOTHECATED UNLESS THERE IS AN EFFECTIVE REGISTRATION STATEMENT UNDER SUCH ACT COVERING SUCH SECURITIES, THE TRANSFER IS MADE IN COMPLIANCE WITH RULE 144 PROMULGATED UNDER SUCH ACT OR THE COMPANY RECEIVES AN OPINION OF COUNSEL FOR THE HOLDER OF THESE SECURITIES WHICH IS REASONABLY SATISFACTORY TO THE COMPANY, STATING THAT SUCH SALE, TRANSFER, ASSIGNMENT OR HYPOTHECATION IS EXEMPT FROM THE REGISTRATION AND PROSPECTUS DELIVERY REQUIREMENTS OF SUCH ACT.

(c) Amendments. This Note may not be modified or amended, or any of the provisions of this Note waived, except by written agreement of the Company and the Holder.

(d) Funding Window. The Company agrees that it will not enter into a convertible debt financing transaction, including Section 3(a)(9) and 3(a)(10) transactions, with any party other than the Holder for a period of 30 Trading Days following the Effective Date. The Company agrees that this is a material term of this Note and any breach of this will result in a default of the Note.

(e) Governing Law; Jurisdiction.

(i) *Governing Law.* This Note will be governed by, and construed and interpreted in accordance with, the laws of the State of Delaware without regard to any conflicts of laws or provisions thereof that would otherwise require the application of the law of any other jurisdiction.

(ii) *Jurisdiction and Venue.* Any dispute, claim, suit, action or other legal proceeding arising out of or relating to this Note or the rights and obligations of each of the parties shall be brought only in state or federal courts of the United States of America located in the State of Delaware.

(iii) *No Jury Trial.* The Company hereto knowingly and voluntarily waives any and all rights it may have to a trial by jury with respect to any litigation based on, or arising out of, under, or in connection with, this Note.

(iv) *Delivery of Process by the Holder to the Company.* In the event of an action or proceeding by the Holder against the Company, and only by the Holder against the Company, service of copies of summons and/or complaint and/or any other process that may be served in any such action or proceeding may be made by the Holder via U.S. Mail, overnight delivery service such as FedEx or UPS, email, fax, or process server, or by mailing or otherwise delivering as provided for above a copy of such process to the Company at its last known attorney as set forth in its most recent SEC filing.

(g) Usury. If it shall be found that any interest or other amount deemed interest due hereunder violates any applicable law governing usury, the applicable rate of interest due hereunder shall automatically be lowered to equal the maximum rate of interest permitted under applicable law. The Company covenants (to the extent that it may lawfully do so) that it will not seek to claim or take advantage of any law that would prohibit or forgive the Company from paying all or a portion of the principal, fees, liquidated damages or interest on this Note.

(h) Securities Laws Disclosure; Publicity. The Company shall file a Current Report on Form 8-K, including a copy of this Note as an exhibit thereto, with the SEC within the time required by the 1934 Act. From and after the filing of such Form 8-K, the Company represents to the Holder that it shall have publicly disclosed all material, non-public information delivered to the Holder by the Company, or any of its officers, directors, employees, or agents in connection with the transactions contemplated by this Note. The Company and the Holder shall consult with each other in issuing any press releases with respect to the transactions contemplated hereby, and neither the Company nor the Holder shall issue any such press release nor otherwise make any such public statement without the prior consent of the Company, with respect to any press release of the Holder, or without the prior consent of the Holder, with respect to any press release of the Company, none of which consents shall be unreasonably withheld, delayed, denied, or conditioned except if such disclosure is required by law, in which case the disclosing party shall promptly provide the other party with prior notice of such public statement or communication. Notwithstanding the foregoing, except in the Form 8-K as provided for above or in other filings with the SEC, the Company shall not publicly disclose the name of the Holder, or include the name of the Holder in any filing with the SEC or any regulatory agency or Principal Market, without the prior written consent of the Holder, except to the extent such disclosure is required by law or Principal Market regulations, in which case the Company shall provide the Holder with prior notice of such disclosure permitted hereunder.

The Company agrees that this is a material term of this Note and any breach of this Section 4.00(h) will result in a default of the Note.

(i) Attempted Below-par Issuance. In the event that the Holder delivers a Conversion Notice to the Company and, if as of such date, (i) the Conversion Price would be less than par value of the Company’s Common Stock and (ii) within three business days of the delivery of the Conversion Notice, the Company shall not have reduced its par value such that all of the requested conversion transaction may then be accomplished, then the Company and the Holder shall utilize the following conversion protocol for Par Value Adjustment. The Holder shall transmit to the Company: (X) a “preliminary” Conversion Notice for the full number of shares of Common Stock that would be issued at the Conversion Price without regard to any below-par value conversion issues; followed by (Y) a “par value” Conversion Notice for the number of shares of Common Stock with the Conversion Price increased from the “preliminary” Conversion Price to a Conversion Price at par value; and, finally, (Z) a “liquidated damages” Conversion Notice for that number of shares of Common Stock that represents the difference between the “preliminary” Conversion Notice full number of shares and the “par value” Conversion Notice limited number of shares. The Conversion Price of such “liquidated damages Common Shares” would be the par value of the Common Stock. Accordingly, through this

protocol, the Company would issue, in two transactions, an amount of shares of its Common Stock equivalent to the full number of shares of Common Stock that would have been issued in accordance with the “preliminary” Conversion Notice without regard to any below-par value conversion issues. In the event that the Holder is precluded from exercising any or all of its conversion rights hereunder as a result of a proposed “below par” conversion, the Company agrees that, in lieu of actual damages for such failure, liquidated damages may be assessed and recovered by the Holder without being required to present any evidence of the amount or character of actual damages sustained by reason thereof. The amount of such liquidated damages shall be an amount equivalent to the trading price utilized in the “preliminary” Conversion Notice multiplied by the number of shares calculated on the “liquidated damages” Conversion Notice. Such amount shall be assessed and become immediately due and payable to the Holder (at its election) in the form of a (i) cash payment, (ii) an addition to the Principal Sum of this Note, or (iii) the immediate issuance of that number of shares of Common Stock as calculated on the “liquidated damages” Conversion Notice. Such liquidated damages are intended to represent estimated actual damages and are not intended to be a penalty, but, by virtue of their genesis and subject to the election of the Holder (as set forth in the immediately preceding sentence), will be automatically added to the Principal Sum of the Note and tack back to the Effective Date for purposes of Rule 144, as the Company’s failure to maintain the par value of its Common Stock at an amount that would not result in a “below par” conversion failure is equivalent to a default as of the Issuance Date of the Note.

COMMON STOCK PURCHASE WARRANT

BIORESTORATIVE THERAPIES, INC.

Warrant Shares: 40,663

Initial Exercise Date: October 25, 2017

THIS COMMON STOCK PURCHASE WARRANT (the "**Warrant**") certifies that, for value received, Tangiers Global, LLC, a Wyoming limited liability company, or its assigns (the "**Holder**") is entitled, upon the terms and subject to the limitations on exercise and the conditions hereinafter set forth, at any time on or after the date hereof (the "**Initial Exercise Date**") and on or prior to 5 PM New York City Time on October 25, 2022 (the "**Termination Date**") but not thereafter, to subscribe for and purchase from BioRestorative Therapies, Inc., a Delaware corporation (the "**Company**"), up to 40,663 shares (as subject to adjustment hereunder, the "**Warrant Shares**") of Common Stock. The purchase price of one share of Common Stock under this Warrant shall be equal to the Exercise Price, as defined in Section 1.00(b).

Section 1.00 Exercise.

a) Exercise of Warrant. Exercise of the purchase rights represented by this Warrant may be made, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company (or such other office or agency of the Company as it may designate by notice in writing to the registered Holder at the address of the Holder appearing on the books of the Company) of a duly executed facsimile copy (or e-mail attachment) of the Notice of Exercise in the form annexed hereto and within five (5) Trading Days of the date said Notice of Exercise is delivered to the Company, the Company shall have received payment of the aggregate Exercise Price of the shares thereby purchased by wire transfer or cashier's check drawn on a United States bank or, if available, pursuant to the cashless exercise procedure specified in Section 1.00(c) below. No ink-original Notice of Exercise shall be required, nor shall any medallion guarantee (or other type of guarantee or

notarization) of any Notice of Exercise form be required. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation within five (5) Trading Days of the date the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. The Company shall deliver any objection to any Notice of Exercise within three (3) Business Days of receipt of such notice. **The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.**

b) Exercise Price. The exercise price per share of the Common Stock under this Warrant shall initially be \$4.15, subject to adjustment hereunder (the “**Exercise Price**”).

c) Cashless Exercise. If at any time after the six month anniversary of the Initial Exercise Date, there is no effective Registration Statement registering, or no current prospectus available for, the resale of the Warrant Shares by the Holder, then this Warrant may only be exercised, in whole or in part, at such time by means of a “cashless exercise” in which the Holder shall be entitled to receive a number of Warrant Shares equal to the quotient obtained by dividing $[(A-B) (X)]$ by (A), where:

(A) = the VWAP on the Trading Day immediately preceding the date on which Holder elects to exercise this Warrant by means of a “cashless exercise,” as set forth in the applicable Notice of Exercise;

(B) = the Exercise Price of this Warrant, as adjusted hereunder; and

(X) = the number of Warrant Shares that would be issuable upon exercise of this Warrant in accordance with the terms of this Warrant if such exercise were by means of a cash exercise rather than a cashless exercise.

If Warrant Shares are issued in such a cashless exercise, the parties acknowledge and agree that, in accordance with Section 3(a)(9) of the Securities Act, the Warrant Shares shall take on the characteristics of the Warrants being exercised, and the holding period of the Warrants being exercised may be tacked on to the holding period of the Warrant Shares. The Company agrees not to take any position contrary to this Section 2.00(c).

“Trading Day” shall mean a day on which there is trading or quoting for any security on the Principal Market.

“VWAP” means, for any date, the price determined by the first of the following clauses that applies: (a) if the Common Stock is then listed or quoted on a Trading Market, the daily volume weighted average price of the Common Stock for such date (or the nearest preceding date) on the Trading Market on which the Common Stock is then listed or quoted as reported by Bloomberg L.P. (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if OTCQB or OTCQX is not a Trading Market, the volume weighted average price of the Common Stock for such date (or the nearest preceding date) on OTCQB or OTCQX as applicable, (c) if the Common Stock is not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Common Stock are then reported in the “Pink Sheets” published by OTC Markets, Inc. (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per share of the Common Stock so reported, or (d) in all other cases, the fair market value of a share of Common Stock as determined by an independent appraiser selected in good faith by the Holders of a majority in interest of the Securities then outstanding and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

Notwithstanding anything herein to the contrary, on the Termination Date, this Warrant shall be automatically exercised via cashless exercise pursuant to this Section 1.00(c).

d) Mechanics of Exercise.

i. Delivery of Warrant Shares Upon Exercise. Warrant Shares purchased hereunder shall be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder’s or its designee’s balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system (“**DWAC**”) if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by the Holder or (B) the Warrant Shares are eligible for resale by the Holder without volume, manner-of-sale or current public information limitations pursuant to Rule 144, and otherwise by physical delivery of a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by the date that is five (5) Trading Days after the delivery to the Company of the Notice of Exercise (such date, the “**Warrant Share Delivery Date**”). The Warrant Shares shall be deemed to have been issued, and Holder or any other person so designated to be named therein shall be deemed to have become a holder of record of such shares for all purposes, as of the date the Warrant has been exercised, with payment to the Company of the Exercise Price (or by cashless exercise, if permitted)

and all taxes required to be paid by the Holder, if any, pursuant to Section 1.00(d)(vi) prior to the issuance of such shares, having been paid.

ii. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant, at the time of delivery of the Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Warrant Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

iii. Rescission Rights. If the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares pursuant to Section 1.00(d)(i) by the Warrant Share Delivery Date, then the Holder will have the right to rescind such exercise within five (5) days thereafter.

iv. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

v. Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of Warrant Shares, all of which taxes and expenses shall be paid by the Company, and such Warrant Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event that Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Warrant Shares.

vi. Closing of Books. The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

e) Holder's Exercise Limitations. The Company shall not effect any exercise of this Warrant, and a Holder shall not have the right to exercise any portion of this Warrant, pursuant to Section 2.00 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Notice of Exercise, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by the Holder and its Affiliates shall include the number of shares of Common Stock issuable upon exercise of this Warrant with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Warrant beneficially owned by the Holder or any of its Affiliates and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities of the Company (including, without limitation, any other Common Stock Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates. Except as set forth in the preceding sentence, for purposes of this Section 1.00(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith. To the extent that the limitation contained in this Section 1.00(e) applies, the determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates) and of which portion of this Warrant is exercisable shall be in the sole discretion of the Holder, and the submission of a Notice of Exercise shall be deemed to be the Holder's determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates) and of which portion of this Warrant is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 1.00(e), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as reflected in (A) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder, the Company shall within two Trading Days confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be

determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder or its Affiliates since the date as of which such number of outstanding shares of Common Stock was reported. The **“Beneficial Ownership Limitation”** shall be 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon exercise of this Warrant. The Holder, upon notice to the Company, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 1.00(e), provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon exercise of this Warrant held by the Holder and the provisions of this Section 1.00(e) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Company. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 1.00(e) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of this Warrant.

Section 2.00 Certain Adjustments.

a) **Stock Dividends and Splits.** If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of reverse stock split) outstanding shares of Common Stock into a smaller number of shares or (iv) issues by reclassification of shares of the Common Stock any shares of capital stock of the Company, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding treasury shares, if any) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 2.00(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

b) **Subsequent Rights Offerings.** In addition to any adjustments pursuant to Section 2.00(a) above, if at any time the Company grants, issues or sells any Common Stock Equivalents or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock (the **“Purchase**

Rights”), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, to the extent that the Holder’s right to participate in any such Purchase Right would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Purchase Right to such extent (or beneficial ownership of such shares of Common Stock as a result of such Purchase Right to such extent) and such Purchase Right to such extent shall be held in abeyance for the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

c) Pro Rata Distributions. During such time as this Warrant is outstanding, if the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a “**Distribution**”), at any time after the issuance of this Warrant, then, in each such case, the Holder, upon any subsequent exercise of this Warrant, shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock acquirable upon such exercise of this Warrant (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date of which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution (provided, however, to the extent that the Holder’s right to participate in any such Distribution would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Distribution to such extent (or in the beneficial ownership of any shares of Common Stock as a result of such Distribution to such extent) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

d) Fundamental Transaction. If, at any time while this Warrant is outstanding, (i) the Company, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Company with or into another Person, (ii) the Company, directly or indirectly, effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the

outstanding Common Stock, (iv) the Company, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property, or (v) the Company, directly or indirectly, in one or more related transactions consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with another Person or group of Persons whereby such other Person or group acquires more than 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other Person or other Persons making or party to, or associated or affiliated with the other Persons making or party to, such stock or share purchase agreement or other business combination) (each a “**Fundamental Transaction**”), then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the Holder (without regard to any limitation in Section 1.00(e) on the exercise of this Warrant), the number of shares of Common Stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the “**Alternate Consideration**”) receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such Fundamental Transaction (without regard to any limitation in Section 1.00(e) on the exercise of this Warrant). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. Notwithstanding anything to the contrary, in the event of a Fundamental Transaction, the Company or any Successor Entity (as defined below) shall, at the Holder’s option, exercisable at any time concurrently with, or within 30 days after, the consummation of the Fundamental Transaction, purchase this Warrant from the Holder by paying to the Holder an amount of cash equal to the Black Scholes Value of the remaining unexercised portion of this Warrant on the date of the consummation of such Fundamental Transaction. “**Black Scholes Value**” means the value of this Warrant based on the Black and Scholes Option Pricing Model obtained from the “OV” function on Bloomberg, L.P. (“**Bloomberg**”) determined as of the day of consummation of the applicable Fundamental Transaction for pricing purposes and reflecting (A) a risk-free interest rate corresponding to the U.S. Treasury rate for a period equal to the time between the date of the public announcement of the applicable Fundamental Transaction and the Termination Date, (B) an expected volatility equal to the greater of 100% and the 100 day volatility obtained from the HVT function on Bloomberg as of the Trading Day immediately following the public announcement of the applicable Fundamental Transaction, (C) the underlying price per

share used in such calculation shall be the sum of the price per share being offered in cash, if any, plus the value of any non-cash consideration, if any, being offered in such Fundamental Transaction and (D) a remaining option time equal to the time between the date of the public announcement of the applicable Fundamental Transaction and the Termination Date. The Company shall cause any successor entity in a Fundamental Transaction in which the Company is not the survivor (the “**Successor Entity**”) to assume in writing all of the obligations of the Company under this Warrant and the other Transaction Documents in accordance with the provisions of this Section 3.00(e) pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of the Holder, deliver to the Holder in exchange for this Warrant a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant which is exercisable for a corresponding number of shares of capital stock of such Successor Entity (or its parent entity) equivalent to the shares of Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the Holder. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Warrant and the other Transaction Documents referring to the “Company” shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein.

e) Calculations. All calculations under this Section 2.00 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 2.00, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding treasury shares, if any) issued and outstanding.

f) Notice to Holder.

i. Adjustment to Exercise Price. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 2.00, the Company shall promptly mail to the Holder a notice setting forth the Exercise Price after such adjustment and any resulting adjustment to the number of Warrant Shares and setting forth a brief statement of the facts requiring such adjustment.

ii. Notice to Allow Exercise by Holder. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Common Stock, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock, (C) the Company shall authorize the granting to all holders of the Common Stock rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any stockholders of the Company shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Company is a party, any sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property, or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be mailed to the Holder at its last address as it shall appear upon the Warrant Register of the Company, at least 20 calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided that the failure to mail such notice or any defect therein or in the mailing thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided in this Warrant constitutes, or contains, material, non-public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K. The Holder shall remain entitled to exercise this Warrant during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Section 3.00 Transfer of Warrant.

a) Transferability. Subject to compliance with any applicable securities laws and the conditions set forth in Section 3.00(d) hereof, this Warrant and all rights hereunder are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the

Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company unless the Holder has assigned this Warrant in full, in which case, the Holder shall surrender this Warrant to the Company within three (3) Trading Days of the date the Holder delivers an assignment form to the Company assigning this Warrant full. The Warrant, if properly assigned in accordance herewith, may be exercised by a new holder for the purchase of Warrant Shares without having a new Warrant issued.

b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 3.00(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the original Issue Date and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.

c) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the “**Warrant Register**”), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

d) Transfer Restrictions. If, at the time of the surrender of this Warrant in connection with any transfer of this Warrant, the transfer of this Warrant shall not be either (i) registered pursuant to an effective registration statement under the Securities Act and under applicable state securities or blue sky laws or (ii) eligible for resale without volume or manner-of-sale restrictions or current public information requirements pursuant to Rule 144, the Company may require, as a condition of allowing such transfer, that the Holder or transferee of this Warrant, as the case may be, make usual and customary representations as to investment intent to the Company

e) Representation by the Holder. The Holder, by the acceptance hereof, represents and warrants that it is acquiring this Warrant and, upon any exercise hereof, will acquire the Warrant Shares issuable upon such exercise, for its own account and not with a view to or for distributing or reselling such Warrant Shares or any part thereof in violation of the Securities Act or any applicable state securities law, except pursuant to sales registered or exempted under the Securities Act.

Section 4.00 Miscellaneous.

a) No Rights as Stockholder Until Exercise. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a stockholder of the Company prior to the exercise hereof as set forth in Section 1.00(d)(i), except as expressly set forth in Section 2.00.

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

d) Authorized Shares.

The Company covenants that, during the period the Warrant is outstanding, it will reserve from its authorized and unissued Common Stock a sufficient number of shares to provide for the issuance of the Warrant Shares upon the exercise of any purchase rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of issuing the necessary Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Common Stock may be listed. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant will, upon exercise of the purchase rights represented by this Warrant and payment for such Warrant Shares in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of

the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Warrant Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

Before taking any action which would result in an adjustment in the number of Warrant Shares for which this Warrant is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

e) Jurisdiction. All questions concerning the construction, validity, enforcement and interpretation of this Warrant shall be determined in accordance with the laws of the State of Delaware as they are applied to contracts executed, delivered and to be wholly performed within the State of Delaware.

f) Restrictions. The Holder acknowledges that the Warrant Shares acquired upon the exercise of this Warrant, if not registered and if the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

g) Nonwaiver and Expenses. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies, notwithstanding the fact that all rights hereunder terminate on the Termination Date. If the Company willfully and knowingly fails to comply with any provision of this Warrant, which results in any material damages to the Holder, the Company shall pay to the Holder such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by the Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

i) Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Holder to exercise this Warrant to purchase Warrant Shares, and no enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the purchase price of any Common Stock or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

j) Successors and Assigns. Subject to applicable securities laws, this Warrant and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Warrant are intended to be for the benefit of any Holder from time to time of this Warrant and shall be enforceable by the Holder or holder of Warrant Shares.

k) Amendment. This Warrant may be modified or amended or the provisions hereof waived with the written consent of the Company and the Holder.
