For each such transaction, the Company did not use general solicitation or advertising to market the securities, the securities were offered to a limited number of persons, the investors had access to information regarding the Company (including information contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2018, Quarterly Reports on Form 10-Q for the periods ended March 31, 2019 and June 30, 2019 and Current Reports on Form 8-K filed with the Securities and Exchange Commission, and press releases made by the Company), and management of the Company was available to answer questions from prospective investors.
