PROXY STATEMENT

SOLICITING, VOTING AND REVOCABILITY OF PROXY

This proxy statement is being mailed or made available to all stockholders of record at the close of business on July 26, 2023, in connection with the solicitation by our Board of Directors of proxies to be voted at the 2023 Annual Meeting of Stockholders to be held on September 13, 2023, at 10:00 a.m., local time, or any adjournment thereof. Proxy materials for the 2023 Annual Meeting of Stockholders were mailed or made available to stockholders on or about August 4, 2023.

All shares represented by proxies duly executed and received will be voted on the matters presented at the meeting in accordance with the instructions specified in such proxies. Proxies so received without specified instructions will be voted as follows:

- (i) **FOR** the nominees named in the proxy to our Board of Directors.
- (ii) **FOR** the proposal to approve an amendment to our 2021 Stock Incentive Plan (the “Plan”) to increase the number of shares of common stock authorized to be issued pursuant to the Plan from 2,500,000 to 3,850,000.
- (iii) **FOR** the ratification of the selection of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2023.

If you are a beneficial owner of shares held in street name and you do not provide specific voting instructions to the organization that holds your shares, the organization will be prohibited under the current rules of the New York Stock Exchange from voting your shares on “non-routine” matters. This is commonly referred to as a “broker non-vote”. Only Proposal 3 is considered a routine matter. Each remaining proposal is considered a “non-routine” matter and therefore may not be voted on by your bank or broker absent specific instructions from you. Please instruct your bank or broker so your vote can be counted.

Our Board does not know of any other matters that may be brought before the meeting nor does it foresee or have reason to believe that the proxy holder will have to vote for a substitute or alternate nominee to the Board. In the event that any other matter should come before the meeting or the nominee is not available for election, the person named in the enclosed proxy will have discretionary authority to vote all proxies not marked to the contrary with respect to such matters in accordance with his best judgment.

The total number of shares of common stock outstanding and entitled to vote as of the close of business on July 26, 2023, was 4,667,641. Each share of common stock is entitled to one vote. In addition, as of July 26, 2023, there were 1,398,158 shares of Series B preferred stock outstanding and entitled to vote. Pursuant to the Certificate of Designations of Preferred Stock with regard to the Series B preferred stock, the sole holder of the Series B preferred stock is entitled to vote such shares based on the number of shares of common stock into which such shares are convertible (currently 1,398,158); however, pursuant to such Certificate of Designations of Preferred Stock, the shares of Series B preferred stock are not convertible into shares of our common stock to the extent the sole holder would beneficially own, after such conversion, more than 9.99% of our then outstanding shares of common stock. Since, as of July 26, 2023, the sole holder of the Series B preferred stock owned 359,950 shares of common stock (7.7% of the outstanding common stock) (based upon information provided by such holder), the shares of Series B preferred stock are convertible into 118,150 shares of our common stock and the sole holder of the Series B preferred stock is entitled to 118,150 votes for such shares of Series B preferred stock. The holders of one-third of the voting power of all shares of stock outstanding as of the close of business on July 26, 2023, or 1,595,264 votes, must be present at the meeting in person or by proxy in order to constitute a quorum for the transaction of business.

With regard to the election of directors, votes may be cast in favor or withheld. The directors shall be elected by a plurality of the votes cast in favor. Accordingly, based upon there being two nominees, each person who receives one or more votes will be elected as a director. Shares of stock as to which a stockholder withholds voting authority in the election of directors and broker non-votes will not be counted as voting thereon and therefore will not affect the election of the nominees receiving a plurality of the votes cast.

Stockholders may expressly abstain from voting on Proposals 2 and 3 by so indicating on the proxy. Abstentions are counted as present but not cast in the tabulation of votes on Proposals 2 and 3. Since each of Proposals 2 and 3 requires the affirmative approval of a majority of the shares present in person or represented by proxy at the meeting, entitled to vote and cast (assuming a quorum is present at the meeting), abstentions and broker non-votes will have no effect.

Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before its exercise. The proxy may be revoked by filing with us written notice of revocation or a fully executed proxy bearing a later date. The proxy may also be revoked by affirmatively electing to vote in person while in attendance at the meeting. However, a stockholder who attends the meeting need not revoke a proxy given and vote in person unless the stockholder wishes to do so. Written revocations or amended proxies should be sent to us at 40 Marcus Drive, Suite One, Melville, New York 11747, Attention: Corporate Secretary. Those voting by Internet or by telephone may also revoke their proxy by voting in person at the meeting or by voting and submitting their proxy at a later time by Internet or by telephone.

The proxy is being solicited by our Board of Directors. We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and other custodians, nominees and fiduciaries for forwarding proxy materials to beneficial owners of our shares. Solicitations will be made primarily by Internet availability of proxy materials and by mail, but certain of our directors, officers or employees may solicit proxies in person or by telephone, fax or email without special compensation.

- (2) The dollar amounts reported represent the amount of “compensation actually paid,” to Mr. Alstodt as computed in accordance with SEC rules. The dollar amounts do not reflect the actual amount of compensation earned by or paid during the applicable year. In accordance with SEC rules, the following adjustments were made to total compensation to determine the compensation actually paid:

Fiscal Year	Reported Summary Compensation Table Total for CEO	Less: Reported Value of Equity Awards(a)	Plus: Equity Award Adjustments(b)	Equals: Compensation Actually Paid to CEO
2022	\$452,364	\$52,364	\$(248,310)	\$151,690

- (a) The grant date fair value of equity awards represents the total of the amounts reported in the “Stock Awards” and “Option Awards”) columns in our Summary Compensation Table for the applicable year.
- (b) The equity award adjustments for each applicable year include the addition (or subtraction, as applicable) of the following: (i) the year-end fair value of any equity awards granted in the applicable year that are outstanding and unvested as of the end of the year; (ii) the amount of change as of the end of the applicable year (from the end of the prior fiscal year) in fair value of any awards granted in prior years that are outstanding and unvested as of the end of the applicable year; (iii) for awards granted in prior years that vest in the applicable year, the amount equal to the change as of the vesting date (from the end of the prior fiscal year) in fair value; and (iv) the fair value as of the vesting date of any equity awards that are granted and vest in the applicable year. The amounts deducted or added in calculating the equity award adjustments are as follows:

Fair Value of Equity Awards for CEO	2022	2021
As of year-end for unvested awards granted during the year	\$ 8,553	\$ 1,126,148
Year-over-year decrease of unvested awards granted in prior years	(213,966)	-
Decrease from prior fiscal year-end for awards granted in prior years that vested during the year	(75,416)	-
Fair value of awards granted and vested during the year	32,520	7,656,621
Total Equity Award Adjustments	\$ (248,310)	\$ 8,782,768

- (3) The dollar amounts reported represent the average of the amounts reported for our NEOs as a group (excluding our CEO) in the “Total” column of our Summary Compensation Table in each applicable year. The names of each of the NEOs (excluding our CEO) included for purposes of calculating the average amounts for each applicable year are Messrs. Silva and Kristal.
- (4) The dollar amounts reported represent the average amount of “compensation actually paid” to the NEOs as a group (excluding our CEO), as computed in accordance with SEC rules. The dollar amounts do not reflect the actual average amount of compensation earned by or paid to the NEOs as a group (excluding our CEO) during the applicable year. In accordance with the SEC rules, the following adjustments were made to average total compensation for the NEOs as a group (excluding our CEO) for each year to determine the compensation actually paid, using the same methodology described above in Note 2:

Fiscal Year	Average Reported Summary Compensation Table Total for Non-CEO NEOs	Less: Average Reported Value of Equity Awards	Plus: Average Equity Award Adjustments(a)	Equals: Average Compensation Actually Paid to Non-CEO NEOs

Cumulative TSR is calculated by dividing (i) the sum of the cumulative amount of dividends for the measurement period, assuming dividend reinvestment, and the difference between our common stock price at the end and the beginning of the measurement period by (ii) our common stock price at the beginning of the measurement period.
- (6) The dollar amounts reported represent the amount of net loss attributable to the Company as reflected in our audited financial statements for the applicable year.

Employment Agreements

Lance Alstodt

Effective November 16, 2020, Mr. Alstodt was elected our Chief Executive Officer, President and Chairman of the Board. On March 18, 2021, we entered into an employment agreement with Mr. Alstodt which provides for a term ending on March 18, 2026. Pursuant to the employment agreement, Mr. Alstodt currently is entitled to receive an annual salary of \$500,000 (giving effect to a \$150,000 performance salary increase received in November 2021 and the \$50,000 annual increases in salary discussed below). Concurrently with the execution of the employment agreement, we granted to Mr. Alstodt pursuant to the 2021 Stock Incentive Plan (the "Plan") (i) a ten-year option for the purchase of 293,479 shares of our common stock at an exercise price of \$47.60 per share (which exercise price was subsequently reduced to \$13.50 per share and further reduced, subject to stockholder approval, to \$5.08 per share) and (ii) 146,740 restricted stock units ("RSUs"). The option vested to the extent of 50% thereof on the date of grant, 12.5% on November 4, 2021, and the balance in six equal quarterly installments commencing on December 18, 2021. The RSUs vest in three equal annual installments on the first, second and third anniversaries of the date of grant. In the event that Mr. Alstodt's employment is terminated by us without "cause", or Mr. Alstodt terminates his employment for "good reason" (each as defined in the employment agreement), Mr. Alstodt will be entitled to receive severance in an amount up to one time his then annual base salary. If Mr. Alstodt's employment with us is terminated without cause, the option granted to Mr. Alstodt will vest and become exercisable and such option will remain exercisable until its expiration date notwithstanding such termination of employment with us. In addition, the RSUs granted to Mr. Alstodt will vest in the event of the termination of his employment without cause or in the event of a change in control (as defined in the Plan). In March 2022, we and Mr. Alstodt agreed that, in lieu of a \$50,000 increase in his annual salary (as provided for in his employment agreement), we issued to Mr. Alstodt 12,438 RSUs (having a value of \$50,000), which RSUs vested in twelve equal monthly installments. Such grant was in consideration of Mr. Alstodt deferring his right to receive the \$50,000 increase in his salary for one year. Effective in March 2023, pursuant to his employment agreement, Mr. Alstodt's annual salary increased by \$50,000 (plus by the \$50,000 salary increase deferral discussed above).

On March 18, 2021, we and Mr. Silva entered into an employment agreement which provides for a term ending on March 18, 2026. Pursuant to the employment agreement, Mr. Silva is currently entitled to receive an annual salary of \$475,000 (giving effect to a \$150,000 performance salary increase received in November 2021 and the \$50,000 annual increases in salary discussed below). Concurrently with the execution of the employment agreement, we granted to Mr. Silva pursuant to the Plan (i) a ten-year option for the purchase of 293,479 shares of our common stock at an exercise price of \$47.60 per share (which exercise price was subsequently reduced to \$13.50 per share and further reduced, subject to stockholder approval, to \$5.08 per share) and (ii) 146,740 RSUs. The option vested to the extent of 50% thereof on the date of grant, 12.5% on November 4, 2021, and the balance in six equal quarterly installments commencing on December 18, 2021. The RSUs vest in three equal annual installments on the first, second and third anniversaries of the date of grant. In the event that Mr. Silva's employment is terminated by us without "cause", or Mr. Silva terminates his employment for "good reason" (each as defined in the employment agreement), Mr. Silva will be entitled to receive severance in an amount up to one time his then annual base salary. If Mr. Silva's employment with us is terminated without cause, the option granted to Mr. Silva will vest and become exercisable and such option will remain exercisable until its expiration date notwithstanding such termination of employment with us. In addition, the RSUs granted to Mr. Silva will vest in the event of the termination of his employment without cause or in the event of a change in control (as defined in the Plan). In March 2022, we and Mr. Silva agreed that, in lieu of a \$50,000 increase in his annual salary (as provided for in his employment agreement), we issued to Mr. Silva 12,438 RSUs (having a value of \$50,000), which RSUs vested in twelve equal monthly installments. Such grant was in consideration of Mr. Silva deferring his right to receive the \$50,000 increase in his salary for one year. Effective in March 2023, pursuant to his employment agreement, Mr. Silva's annual salary increased by \$50,000 (plus, by the \$50,000 salary increase deferral discussed above).

In addition, such Series B preferred stock is not convertible into shares of our common stock to the extent Auctus would own, after such conversion, more than 9.99% of our outstanding shares of common stock. Since Auctus has advised that, as of July 26, 2023, it owned 359,950 shares of common stock, which represented 7.7% of the outstanding shares of common stock, and that its warrant for the purchase of common stock is not currently exercisable, its Series B preferred stock is currently convertible into 118,150 shares of our common stock. Accordingly, as of July 26, 2023, Auctus, as the sole holder of the Series B preferred stock, is entitled to 118,150 votes for such shares.

- recommend, establish and monitor procedures designed to improve the quality and reliability of the disclosure of our financial condition and results of operations;

 - the receipt, retention and treatment of complaints relating to accounting, internal accounting controls or auditing matters; and
 - the receipt of confidential, anonymous submissions by employees of concerns regarding questionable accounting or auditing matters.

The members of our Board's Audit Committee currently are Messrs. Williams (Chair) and Rosa and Dr. Kukekov. Our Board has adopted a written charter for the Audit Committee. A copy of the charter is available on our website, www.biorestorative.com.

Nominating Committee

The Nominating Committee of the Board of Directors is responsible for assisting the Board in identifying and recruiting qualified individuals to become Board members and selecting director nominees to be presented for Board and/or stockholder approval. The members of the Nominating Committee currently are Messrs. Rosa (Chair) and Williams and Dr. Kukekov. Our Board has adopted a written charter for the Nominating Committee. A copy of the charter is available on our website, www.biorestorative.com. While the Nominating Committee does not have a formal policy on diversity for members of the Board of Directors, the Nominating Committee considers diversity of background, experience and qualifications in evaluating prospective Board members. The Nominating Committee will consider qualified director candidates recommended by stockholders if such recommendations are provided in accordance with the procedures set forth in the section entitled "Stockholder Proposals - Stockholder Nominees" below. The Nominating Committee evaluates all candidates based upon, among other factors, a candidate's financial literacy, knowledge of our industry, other relevant background experience, judgment, skill, integrity, the interplay of a candidate's experience with the experience of other Board members, 'independence' (for purposes of compliance with the NASDAQ Marketplace Rules), and willingness, ability and availability for service. After conducting an initial evaluation of a prospective nominee, the Nominating Committee will interview that candidate if it believes the candidate might be suitable to be a director. The Nominating Committee may also ask the candidate to meet with management. If the Nominating Committee believes a candidate would be a valuable addition to our Board of Directors, it may recommend to the full Board that candidate's nomination and election. At this time, the Nominating Committee has not adopted minimum criteria for consideration of a proposed candidate for nomination.

Compensation Committee

The Compensation Committee of the Board of Directors is responsible for the management of our business and affairs with respect to the compensation of our employees. The responsibilities and duties of the Compensation Committee include the following:

- review and approve corporate goals and objectives relevant to the compensation of our Chief Executive Officer, evaluate the Chief Executive Officer's performance in light of those goals and objectives, and determine and approve the Chief Executive Officer's compensation level based on this evaluation;
- review and approve corporate goals and objectives relevant to the compensation of our other executive officers, evaluate the performance of such other executive officers in light of those goals and objectives, and make recommendations to the Board with respect to the compensation of such other executive officers;
- make recommendations to the Board with respect to director compensation;
- approve any new equity compensation plan or any material change to an existing plan, approve grants pursuant to equity compensation plans and administer such plans;
- in consultation with management, oversee regulatory compliance with respect to compensation matters; and

The members of the Compensation Committee currently are Dr. Kukekov (Chair) and Messrs. Rosa and Williams. Our Board has adopted a written charter for the Compensation Committee. A copy of the charter is available on our website, www.bioresorative.com.

Our Chief Executive Officer assists the Compensation Committee from time to time by advising on a variety of compensation matters, such as assisting the Compensation Committee in determining appropriate salaries and bonuses for our executive officers. The Compensation Committee has the authority to consult with management to assist it in its efforts.

Pursuant to its charter, the Compensation Committee also has the sole authority to retain and terminate outside compensation consultants, as well as to approve the consultant's fees and any other terms of the engagement.

Board Leadership Structure and Role in Risk Oversight

Our Board of Directors as a whole is responsible for our risk oversight. Our executive officers address and discuss with our Board of Directors our risks and the manner in which we manage or mitigate such risks. While our Board of Directors has the ultimate responsibility for our risk oversight, our Board of Directors works in conjunction with its committees on certain aspects of its risk oversight responsibilities. In particular, our Audit Committee focuses on financial reporting risks and related controls and procedures and our Compensation Committee strives to create compensation practices that do not encourage excessive levels of risk taking that would be inconsistent with our strategies and objectives.

Since November 2020, Lance Alstodt has served as our Chief Executive Officer and Chairman of the Board. We do not currently have a lead independent director. At this time, our Board believes that Mr. Alstodt's combined role as Chief Executive Officer and Chairman of the Board enables us to benefit from Mr. Alstodt's significant institutional and industry knowledge and experience, while at the same time promoting unified leadership and direction for our Board and executive management without duplication of effort and cost. Given our history, position, Board composition and the relatively small size of our company and management team, at this time, our Board believes that we and our stockholders are best served by our current leadership structure.

Report of the Audit Committee

In overseeing the preparation of the financial statements of the Company as of December 31, 2022 and 2021, and for the years then ended, the Audit Committee met with management to review and discuss all financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Audit Committee that all financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee discussed the statements with management. The Audit Committee also discussed with Marcum LLP, the Company's independent registered public accounting firm, the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No. 1301, *Communications with Audit Committees*, as currently in effect.

The Audit Committee received the written disclosures and the letter from Marcum required by applicable requirements of the Public Company Accounting Oversight Board regarding Marcum's communications with the Audit Committee concerning independence and the Audit Committee discussed Marcum's independence with Marcum.

On the basis of these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2022, for filing with the SEC.

PROPOSAL 2: AMENDMENT TO THE COMPANY'S 2021 STOCK INCENTIVE PLAN

Our Board of Directors has approved, subject to stockholder approval, an amendment to the BioRestorative Therapies, Inc. 2021 Stock Incentive Plan (the "Plan") to increase the number of shares of common stock authorized to be issued thereunder from 2,500,000 to 3,850,000. The amendment to the Plan is being submitted to the stockholders for approval.

As of July 26, 2023, options for the purchase of 1,455,362 shares of common stock, net of forfeitures, 318,356 restricted stock units ("RSUs") and 1,442 shares of common stock had been granted pursuant to the Plan. As of such date, 724,480 shares were reserved for future grants under the Plan (without giving effect to the amendment to the Plan increasing the number of shares authorized to be issued under the Plan to 3,850,000, subject to stockholder approval). See "Plan Benefits" below for additional details.

The Plan was originally adopted by our Board on March 18, 2021. Pursuant to the Plan, up to 1,175,000 shares of common stock were initially authorized to be issued. Stockholder approval of the Plan was obtained on August 17, 2021. On December 10, 2021, subject to stockholder approval, increased the number of shares authorized to be issued under the Plan from 1,175,000 to 2,500,000 and revised certain provisions of the Plan to make clear the authority of our Board and Compensation Committee to reduce the exercise price of options granted pursuant to the Plan (either directly or pursuant to the cancellation of an outstanding option and the regrant of the option at a reduced exercise price). Stockholder approval was obtained on November 3, 2022. Effective as of July 13, 2023, our Board, subject to stockholder approval, increased the number of shares authorized to be issued under the Plan from 2,500,000 to 3,850,000.

The Plan plays an important role in our efforts to attract and retain employees of outstanding ability and to align the interests of employees with those of the stockholders through increased stock ownership. As discussed below, the Plan is also designed to provide incentives to our non-employee directors, consultants and advisors.

The following statements include summaries of certain provisions of the Plan. The statements do not purport to be complete and are qualified in their entirety by reference to the provisions of the Plan, a copy of which is available at our offices.

Purpose

The purpose of the Plan is to promote the success and enhance the value of the Company and its subsidiaries by linking the individual interests of employees, consultants, advisors and members of our Board of Directors to those of our stockholders and by providing such individuals with an incentive for outstanding performance to generate superior returns to our stockholders. The Plan is further intended to provide flexibility to the Company and its subsidiaries in their ability to motivate, attract, and retain the services of those individuals upon whose judgment, interest, and special effort the successful conduct of our operation is largely dependent.

Administration

The Plan provides for its administration by our Board of Directors, or a committee (the “Committee”) appointed by the Board. The following discussion of the Plan assumes that the Plan is administered by the Compensation Committee.

The Committee has authority (subject to certain restrictions) to select from the group of eligible employees, non-employee directors, consultants and advisors the individuals or entities to whom awards will be granted under the Plan, and to determine the times at which awards will be granted and the terms of such grants. The Committee is authorized to interpret the Plan and the interpretation and construction by the Committee of any provision of the Plan or of any award granted under the Plan shall be final and conclusive. The receipt of awards under the Plan by directors or any members of the Committee shall not preclude their vote on any matters in connection with the administration or interpretation of the Plan.

As amended, pursuant to the Plan, the Committee is authorized to reduce the exercise price of granted options (either directly or pursuant to a cancellation of the options and the regrant of an option at a reduced exercise price equal to the then fair market value (as defined in the Plan) of our common stock).

Eligibility

Subject to certain limitations as set forth in the Plan, options to purchase shares may be granted thereunder to persons or entities who, in the case of incentive stock options, are employees of the Company or, in the case of non-qualified stock options, are employees or non-employee directors of, or certain consultants or advisors to, the Company. Subject to certain limitations as set forth in the Plan, restricted stock, RSUs, stock appreciation rights and other stock awards may be granted thereunder to persons or entities who are employees or non-employee directors of, or certain consultants or advisors to, the Company.

As of July 26, 2023, nine employees, three non-employee directors, six members of our Scientific Advisory Board and one consultant were eligible to receive awards under the Plan.

Options

Nature of Options

The Committee may grant options under the Plan which are intended to either qualify as “incentive stock options” within the meaning of Section 422 of the Code or not so qualify. We refer to options that do not so qualify as “non-qualified stock options.” The Federal income tax consequences relating to the grant and exercise of incentive stock options and non-qualified stock options are described below under “Federal Income Tax Consequences.”

Option Price

The option price of the shares subject to an incentive stock option or a non-qualified stock option may not be less than the fair market value of the common stock on the date upon which such option is granted. In addition, in the case of a recipient of an incentive stock option who, at the time the option is granted, owns more than 10% of the total combined voting power of all classes of our stock or of a parent or of any of our subsidiaries, the option price of the shares subject to such option must be at least 110% of the fair market value of the common stock on the date upon which such option is granted.

On August 1, 2023, the last reported sale price for our common stock on The Nasdaq Capital Market was \$2.90 per share.

Exercise of Options

An option granted under the Plan shall be exercised by the delivery by the holder to our Secretary at our principal office of a written or electronic notice of the number of shares with respect to which the option is being exercised. The notice must be followed by payment of the full option price of such shares which must be made by the holder's delivery of (i) cash or check in such amount, (ii) previously acquired common stock, the fair market value of which shall be determined as of the date of exercise, (iii) other form of legal consideration acceptable to the Committee, or (iv) any combination of the foregoing.

Duration of Options

No incentive stock option granted under the Plan shall be exercisable after the expiration of ten years from the date of its grant. However, if an incentive stock option is granted to a 10% stockholder, the option shall not be exercisable after the expiration of five years from the date of its grant.

Non-qualified stock options granted under the Plan shall be exercisable for a period of up to ten years from the date of their grant.

Non-Transferability

Options granted under the Plan are not transferable otherwise than by will or the laws of descent and distribution and such options are exercisable, during a holder's lifetime, only by the grantee; provided, however, that a non-qualified stock option granted under the Plan may, upon the approval of the Committee, be transferred in whole or in part during a grantee's lifetime to certain family members of a grantee through a gift or domestic relations offer.

Death, Disability or Termination of Employment

Subject to the terms of the agreement pursuant to which the options are granted, if the employment of an employee or the services of a non-employee director, consultant or advisor shall terminate other than for cause or by reason of death or disability, such option may be exercised at any time within three months after such termination, but in no event after the expiration of the option.

Subject to the terms of the agreement pursuant to which the options are granted, if an option holder under the Plan dies while employed by us or while serving as a non-employee director of, or consultant or advisor to, us, then such option may be exercised by the estate of the employee, non-employee director, consultant or advisor, or by a person who acquired such option by bequest or inheritance from the deceased option holder, at any time within twelve months after his death.

Subject to the terms of the stock option agreement pursuant to which the options are granted, if the holder of an option under the Plan ceases employment or services because of permanent and total disability (as defined in the Plan) while employed by, or while serving as a non-employee director of, or consultant or advisor to, us, then such option may be exercised at any time within twelve months after his termination of employment, termination of directorship, or termination of consulting or advisory arrangement or agreement due to the disability.

Stock Appreciation Rights

The Committee may grant stock appreciation rights (an “SAR”) to such persons eligible under the Plan as selected from time to time. SARs shall be granted at such times, in such amounts and under such other terms and conditions as the Committee shall determine. An SAR entitles the grantee to exercise the SAR, in whole or in part, in exchange for payment of shares of our common stock, cash or a combination thereof, as determined by the Committee, equal in value to the excess of the fair market value of the shares of our common stock underlying the SAR, determined on the date of exercise, over the fair market value of our common stock underlying the SAR on the date of grant.

No SAR granted under the Plan shall be exercisable after the expiration of ten years from the date of its grant.

Restricted Stock and Restricted Stock Unit Grants

The Committee may grant restricted stock and RSUs under the Plan to any individual or entity eligible to receive restricted stock or RSUs. A restricted stock or RSU award is an award of shares of our common stock that is subject to certain conditions on vesting and to certain restrictions on transferability.

Shares granted pursuant to a grant of restricted stock or RSUs shall vest as determined by the Committee. Except as otherwise provided in the award agreement, a grantee shall forfeit all shares not previously vested, if any, at such time as the grantee is no longer employed by, or serving as a director of, or rendering consulting or advisory services to, us.

In determining the vesting requirements with respect to a grant of restricted stock or RSUs, the Committee may impose such restrictions on any shares granted as it may deem advisable including, without limitation, restrictions relating to length of service, corporate performance, attainment of individual or group performance goals and federal or state securities laws.

During the period that restricted stock is unvested, the grantee will be the record owner of the restricted stock and shall be entitled to receive all dividends and other distributions paid with respect to such shares while they are so restricted; however, if any dividends or distributions are payable in shares of our stock, cash and/or other property during an applicable period of restriction, the shares, cash and/or other property deliverable shall be held by us until such time as the vesting restrictions with respect to the restricted stock are satisfied.

A holder of RSUs shall not have any rights of a stockholder with respect to the shares of common stock underlying the RSUs unless and until the RSUs vest and are settled by the issuance of shares of common stock.

Amendment and Termination

The Plan (but not the options or other stock awards previously granted thereunder) shall terminate on March 18, 2031, ten years from the date that it was adopted by our Board. Subject to certain limitations, the Plan may be amended or modified from time to time or terminated at an earlier date by our Board or by the stockholders.

Federal Income Tax Consequences

The following discussion is intended only as a brief summary of the federal income tax rules relevant to stock options, restricted stock and RSUs granted under the Plan. These rules are highly technical and subject to change. The following discussion is limited to the federal income tax rules relevant to us and to the individuals who are citizens or residents of the United States. The discussion does not address state, local or foreign income tax consequences.

Non-qualified Stock Options

Under the Code and the Treasury Department Regulations, a non-qualified stock option does not ordinarily have a readily ascertainable fair market value when it is granted. This rule will apply to our grant of non-qualified stock options. Consequently, the grant of a non-qualified stock option to an optionee will result in neither income to him or her nor a deduction to us. Instead, the optionee will recognize compensation income at the time he or she exercises the non-qualified stock option in an amount equal to the excess, if any, of the then fair market value of the shares transferred to the optionee over the option price. Subject to the applicable provisions of the Code and the Treasury Department Regulations regarding withholding of tax, a deduction will be allowable to us in the year of exercise in the same amount as is includable in the optionee's income.

For purposes of determining the optionee's gain or loss on the sale or other disposition of the shares transferred to him or her upon exercise of a non-qualified stock option, the optionee's basis in such shares will be the sum of the optionee's option price plus the amount of compensation income recognized by him or her on exercise. Such gain or loss will be capital gain or loss and will be long-term or short-term depending upon the holding period requirement for the shares. No part of any such gain will be an item of tax preference for purposes of the alternative minimum tax.

Incentive Stock Options

Options granted under the Plan which qualify as incentive stock options under Section 422 of the Code will be treated as follows:

Except to the extent that the alternative minimum tax rule described below applies, no tax consequences will result to the optionee or us from the grant of an incentive stock option to, or the exercise of an incentive stock option by, the optionee. Instead, the optionee will recognize gain or loss when he or she sells or disposes of the shares transferred to him or her upon exercise of the incentive stock option. For purposes of determining such gain or loss, the optionee's basis in such shares will be his or her option price. If the optionee holds the shares acquired upon exercise for the requisite holding period set forth in the Code, the optionee will realize long-term capital gain treatment upon their sale or disposition.

Generally, we will not be allowed a deduction with respect to an incentive stock option. However, if an optionee fails to meet the foregoing holding period requirements (a so-called disqualifying disposition), any gain recognized by the optionee upon the sale or disposition of the shares transferred to him or her upon exercise of an incentive stock option will be treated in the year of such sale or disposition as ordinary income, rather than capital gain, to the extent of the excess, if any, of the fair market value of the shares at the time of exercise (or, if less, in certain cases the amount realized on such sale or disposition) over their option price, and in that case we will be allowed a corresponding deduction.

For purposes of the alternative minimum tax, the amount, if any, by which the fair market value of the shares transferred to the optionee upon such exercise exceeds the option price will be included in determining the optionee's alternative minimum taxable income. In addition, for purposes of such tax, the basis of such shares will include such excess.

To the extent that the aggregate fair market value (determined at the time the option is granted) of the stock with respect to which incentive stock options are exercisable for the first time by the optionee during any calendar year exceeds \$100,000, such options will not be incentive stock options. In this regard, upon the exercise of an option which is deemed, under the rule described in the preceding sentence, to be in part an incentive stock option and in part a non-qualified stock option, under existing Internal Revenue Service guidelines, we may designate which shares issued upon exercise of such options are incentive stock options and which shares are non-qualified stock options. In the absence of such designation, a pro rata portion of each share issued is to be treated as issued pursuant to the exercise of an incentive stock option and the balance of each share treated as issued pursuant to the exercise of a non-qualified stock option.

Other Stock-Based Awards

The income tax consequences of the other stock-based awards will depend on how such awards are structured. In the case of the grant of an RSU, a participant will not be in receipt of taxable income at the time of grant. On delivery, a participant will be in receipt of ordinary income in an amount equal to the fair market value of the acquired shares of common stock.

New Plan Benefits

The benefits that will be awarded or paid under the Plan are not currently determinable (see, however, “Eligibility” above). Awards granted under the Plan are within the discretion of the Committee, and the Committee has not determined future awards or who might receive them.

PROPOSAL 3: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our Board of Directors has selected Marcum LLP (“Marcum”) as our independent registered public accounting firm for the fiscal year ending December 31, 2023.

Although ratification by stockholders is not required by our organizational documents or other applicable law, our Board of Directors has determined that requesting ratification by stockholders of the appointment of Marcum as our independent registered public accounting firm for the fiscal year ending December 31, 2023, is a matter of good corporate practice. If stockholders do not ratify the selection, the Audit Committee of our Board may reconsider whether or not to retain Marcum, but may still retain them. Even if the selection is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of us and our stockholders.

Marcum served as our independent registered public accountants with respect to the fiscal year ended December 31, 2022.

Friedman LLP (“Friedman”) served as our independent registered public accountants with respect to each of the fiscal years ended December 31, 2019, 2020 and 2021.

Based on information provided by Friedman, effective September 1, 2022, Friedman combined with Marcum and continues to operate as an independent registered public accounting firm. On September 13, 2022, the Audit Committee of our Board approved the dismissal of Friedman and the engagement of Marcum to serve as our independent registered public accounting firm. The services previously provided by Friedman are now provided by Marcum.

The report of Friedman on our consolidated financial statements as of December 31, 2021 and for the year then ended did not contain an adverse opinion or a disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope, or accounting principles.

During our fiscal year ended December 31, 2021 and the subsequent period prior to Friedman’s dismissal, (a) there were no disagreements with Friedman on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to the satisfaction of Friedman, would have caused Friedman to make reference thereto in its reports on the consolidated financial statements for such years; and (b) there were no reportable events as described in Item 304(a)(1)(v) of Regulation S-K promulgated by the SEC (“Regulation S-K”)

No consultations occurred between us and Marcum during the two most recent fiscal years and the subsequent interim period prior to Marcum’s appointment regarding either (a) the application of accounting principles to a specific completed or proposed transaction, the type of audit opinion that might be rendered on our financial statements, or other information provided that was considered by us in reaching a decision as to an accounting, auditing or financial reporting issue, or (b) any matter that was the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

It is not expected that a representative of Marcum or Friedman will attend the meeting.

The following is a summary of the fees billed to us by Friedman, our then independent registered public accountants, for professional services rendered with respect to the fiscal years ended December 31, 2021 and 2022 and a summary of the fees billed to us by Marcum, our independent registered public accountants, for professional services rendered for the fiscal year ended December 31, 2022:

	Marcum LLP	Friedman LLP	
	2022	2022	2021
Audit fees (1)	\$ 65,000	\$ 30,000	\$ 95,000
Audit-related fees (2)	2,500	4,000	40,500
Tax fees (3)	-	-	-
All other fees (4)	-	-	-
	<u>\$ 67,500</u>	<u>\$ 34,000</u>	<u>\$ 135,500</u>

- (1) Audit Fees consist of fees billed for services rendered for the audit of our consolidated financial statements for the fiscal years ended December 31, 2022 and 2021, and the review of our condensed consolidated financial statements included in our Quarterly Reports on Form 10-Q.
- (2) Audit-Related Fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit of our financial statements and in connection with the filing of Forms S-1 and S-8 registration statements and are not reported under "Audit Fees."
- (3) Tax Fees consist of fees billed for professional services related to preparation of our U.S. federal and state income tax returns and tax advice.
- (4) All Other Fees consist of fees billed for products and services provided by our independent registered public accountants, other than those disclosed above.

The Audit Committee is responsible for the appointment, compensation and oversight of the work of the independent registered public accountants, and approves in advance any services to be performed by the independent registered public accountants, whether audit-related or not. The Audit Committee reviews each proposed engagement to determine whether the provision of services is compatible with maintaining the independence of the independent registered public accountants. The fees shown above were pre-approved either by our Board or our Audit Committee.

Vote Required

The ratification of the selection of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2023, requires the affirmative vote of stockholders who hold a majority of the shares of common stock present in person or represented by proxy at the meeting and entitled to vote.

Recommendation

The Board of Directors recommends that stockholders vote FOR the ratification of the selection of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2023.

STOCKHOLDER PROPOSALS

Stockholder proposals intended to be presented at our next annual meeting of stockholders pursuant to the provisions of Rule 14a-8 of the SEC, promulgated under the Exchange Act, must be received at our offices in Melville, New York, by April 5, 2024, for inclusion in our proxy statement and form of proxy relating to such meeting.

The following requirements with respect to stockholder proposals and stockholder nominees to our Board of Directors are included in our bylaws.

Stockholder Proposals

To be timely, a stockholder's notice must be delivered to or mailed and received by our Secretary at our principal executive offices not less than 45 days nor more than 75 days prior to the one-year anniversary of the date on which we first mailed the proxy materials for the preceding year's annual meeting of stockholders; provided, however, that if the meeting is convened more than 30 days prior to or delayed more than 30 days after the anniversary of the preceding year's annual meeting or if no annual meeting was held in the preceding year, to be timely a stockholder's notice must be received not later than the close of business on the later of (i) the 90th day before such annual meeting or (ii) the 10th day following the day on which public announcement of the date of such meeting is first made.

A stockholder's notice must set forth as to each matter the stockholder proposes to bring before the annual meeting certain information regarding the proposal, including the following:

- a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest (financial or other) of such stockholder in such business; and
- with respect to the stockholder proposing such business or the beneficial owner, if any, on whose behalf the proposal is made: (i) the name and address of each such party; (ii) the class and number of shares that are beneficially owned by each such party; (iii) any derivative instruments that are beneficially owned by each such party and any other opportunity to profit or share in any profit derived from any increase or decrease in the value of our capital stock; (iv) any proxy or arrangement pursuant to which either party has a right to vote any shares; (v) any short interest in any of our securities; (vi) any rights to dividends that are separated from our underlying shares; (vii) any proportionate interest in our capital stock or any derivative instruments held by a general or limited partnership in which either party is a general partner or beneficially owns a general partner; (viii) any performance-related fees (other than an asset-based fee) that each such party is entitled to based on any increase or decrease in the value of our capital stock or any derivative instruments; (ix) any other information relating to each such party that would be required to be disclosed in a proxy statement; and (x) a statement as to whether or not each such party will deliver a proxy statement and form of proxy to holders of at least that percentage of voting power of all of our shares of capital stock required under applicable law to carry the proposal.

Stockholder Nominees

In order for a stockholder to nominate a candidate for director at an annual meeting of stockholders, under our bylaws, timely notice of the nomination must be received by us in advance of the meeting. To be timely, a stockholder's notice must be delivered to or mailed and received by our Secretary at our principal executive offices not less than 45 days nor more than 75 days prior to the one-year anniversary of the date on which we first mailed the proxy materials for the preceding year's annual meeting of stockholders; provided, however, that if the meeting is convened more than 30 days prior to or delayed more than 30 days after the anniversary of the preceding year's annual meeting or if no annual meeting was held in the preceding year, to be timely a stockholder's notice must be so received not later than the close of business on the later of (i) the 90th day before such annual meeting or (ii) the 10th day following the day on which public announcement of the date of such meeting is first made.

The stockholder sending the notice of nomination must describe various matters, including the following:

- with respect to the stockholder proposing such nomination or the beneficial owner, if any, on whose behalf the nomination is made: (i) the name and address of each such party; (ii) the class and number of shares that are beneficially owned by each such party; (iii) any derivative instruments that are beneficially owned by each such party and any other opportunity to profit or share in any profit derived from any increase or decrease in the value of our capital stock; (iv) any proxy or arrangement pursuant to which either party has a right to vote any shares; (v) any short interest in any of our securities; (vi) any rights to dividends that are separated from our underlying shares; (vii) any proportionate interest in our capital stock or any derivative instruments held by a general or limited partnership in which either party is a general partner or beneficially owns a general partner; (viii) any performance-related fees (other than an asset-based fee) that each such party is entitled to based on any increase or decrease in the value of our capital stock or any derivative instruments; (ix) any other information relating to each such party that would be required to be disclosed in a proxy statement; and (x) a statement as to whether or not each such party will deliver a proxy statement and form of proxy to holders of at least that percentage of voting power of all of the shares of our capital stock reasonably believed to be sufficient to elect the nominee or nominees proposed to be nominated; and
- the written consent by the nominee, agreeing to serve as a director if elected.

These requirements are separate from and in addition to the requirements a stockholder must meet to have a proposal included in our proxy statement.

Any notice given pursuant to the foregoing requirements must be sent to our Secretary at 40 Marcus Drive, Suite One, Melville, New York 11747. **The foregoing is only a summary of the provisions of our bylaws that relate to stockholder proposals and stockholder nominations for director. Any stockholder desiring a copy of our bylaws will be furnished one without charge upon receipt of a written request therefor.**

Universal Proxy Rules

In addition to satisfying the requirements under our bylaws, in order to comply with the new universal proxy rules, stockholders who intend to solicit proxies in support of director nominees, other than the Company's nominees, must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act, which notice must be postmarked or transmitted electronically to the Company at our principal executive offices no later than 60 days prior to the anniversary date of this annual meeting of stockholders (i.e., for our 2024 annual meeting of stockholders, no later than July 15, 2024). However, if the date of our 2024 annual meeting of stockholders is changed by more than 30 calendar days from the anniversary date of this annual meeting, then notice must be provided by the later of 60 calendar days prior to the date of our 2024 annual meeting of stockholders and the 10th calendar day following the day on which public announcement of the date of our 2024 annual meeting of stockholders is first made.

OTHER BUSINESS

While the accompanying Notice of Annual Meeting of Stockholders provides for the transaction of such other business as may properly come before the meeting, we have no knowledge of any matters to be presented at the meeting other than those listed as Proposals 1, 2 and 3 in the notice. However, the enclosed proxy gives discretionary authority in the event that any other matters should be presented.

FORM 10-K

This proxy statement is accompanied by a copy of our Annual Report on Form 10-K for the year ended December 31, 2022 (excluding exhibits). We may charge a fee equal to our reasonable expenses in furnishing the exhibits.
